We offer **flexible ACCA tuition in all ACCA papers**. Our classes are held in the evenings and at weekends so it doesn't clash with the office hours. We are based **locally in East London, Ilford** 2 minutes from the station which makes it easy to get to and can even deliver the classes on your site (subject to a minimum of 8 trainees).

All our tutors are qualified accountants with practical experience of both industry and practice. Our tutors have also taught at some of the well known accountancy colleges. We boast of **high pass rates (approximately 98%)** as we run **small classes** (max 15) to ensure we give personal attention to each student.

As specialist accountancy and finance trainers we have a strong focus on the sector and therefore ensure that our students are not just academically excellent but are also work ready. We equip them with the ethics and functional skills required to excel in the Accountancy work place.

We have a number of references and testimonials which we can provide to you for peace of mind of our quality standards.

We also offer **special rates for employers** sending more than one employee.
